

Technical drawing of a double-arched bridge. The drawing shows a side elevation of the bridge structure, which consists of two arches supported by a central pier and two side piers. The bridge is shown in a cross-section view, with the arches and piers shaded in blue. The dimensions are labeled as follows:

- E**: Total height of the bridge structure.
- B**: Total width of the bridge structure.
- D**: Total height of the bridge structure, including the arches and the piers.
- d**: Height of the bridge structure, excluding the arches.
