

A schematic diagram of a double-roller assembly. It shows two rollers, each with a circular cross-section and a central hub, mounted on a common shaft. The rollers are positioned within a blue rectangular frame. Dimension B indicates the width of the frame. Dimension D indicates the total height of the assembly, including the frame and the rollers. Dimension C indicates the height of the frame, excluding the rollers. The rollers are shown in a cross-sectional view, with the top roller having a small 'L' shaped feature on its inner surface.
