

Technical drawing of a two-piece female connector. The drawing shows two views: a top view and a side view. The top view is a rectangle with a width dimension B . The side view is a rectangle with a height dimension D . The connector consists of two main parts, each with a central opening. The top view shows the internal structure of the connector, including a central pin and a surrounding sleeve. The side view shows the profile of the connector, with a central opening and a flange at the bottom. Dimensions E and K are indicated at the top, and C is indicated on the right side.
